GENERATION HYMNS 3

*Message & Special Thanks
From Tommy Walker*

During the COVID-19 pandemic, March of 2020, I realized I was going to be stuck in my house for a long period of time so I set up a small studio in my bedroom. I began writing new choruses and arrangements to 11 more of my favorite hymns. I thought to myself, "Wow, maybe this will be one of the good things God wants to bring out of this trying time?" Now that it is done, I believe it is exactly that and I am so grateful for a God who works in and through us during the bright and dark seasons of our lives! I pray that this project will bring unity to the generations and much glory to God!

Special thanks to:

- My incredible *TWM* team: your friendship and dedication to excellence is a gift beyond telling!
- Ray Jones: thank you brother for getting me started on this one and for so generously contributing your resources and relationship with *Prism Music*!
- Brent Brunson, Pastor J. Daniel Smith, & *Bethesda Community Church* and choir: you went far above and beyond to make this project possible, and you did it with such joy and friendship!
- Jerard & Jovaun Woods: thank you for saying YES to recording with me again! Your abilities to lead and sing are off the charts.
- All of our amazing *TWM* Partners that helped make this album possible....THANK YOU!
